

26/138 *regulation of cytoskeleton organization*

11/31 negative regulation of protein-containing complex disassembly

18/82 *regulation of cellular component size*

18/68 cell junction assembly

99/749 *cellular component assembly*

24/125 *cell junction organization*

49/284 cell division

74/453 cell cycle

43/268 *organelle fission*

79/547 cell cycle process

16/61 cytokinesis

19/88 *positive regulation of cell cycle*

34/189 *regulation of cell cycle process*
