

3/10 positive regulation of fat cell differentiation

9/141 regulation of canonical Wnt signaling pathway

7/81 proteinogenic amino acid biosynthetic process

16/289 alpha-amino acid metabolic process

48/1751 obsolete organonitrogen compound metabolic process

31/887 organic acid metabolic process

8/72 sulfur amino acid metabolic process

19/430 amino acid metabolic process

20/524 small molecule biosynthetic process

11/167 amino acid biosynthetic process

9/115 alpha-amino acid biosynthetic process

14/323 organic acid biosynthetic process

11/197 modified amino acid metabolic process

6/31 one-carbon metabolic process

17/411 monocarboxylic acid metabolic process

52/1204 obsolete oxidation-reduction process

6/59 obsolete oxidoreduction coenzyme metabolic process
